

**CSR PROJECTS APPROVED BY THE BOARD FOR THE FINANCIAL YEAR
2021-22**

Background:

The Company recognizes that it has a responsibility towards society and must endeavour to contribute to inclusive development encompassing social, economic and environmental progress of the community, especially the under-privileged.

The Company also believes that it has a tremendous opportunity to positively impact the lives of people through its products and services, and also through socially relevant projects meeting the needs of local communities.

“Do good while doing well” is guiding philosophy that we seek to integrate into our business so we can create a better tomorrow for the future generation to come.

The community focused programmes of the Company aim at bringing about positive societal change.

The Company’s CSR Policy and initiatives outline the vision, mission, thrust areas and key requirements as per Schedule VV read with Section 135 of the Companies Act, 2013. These initiatives will be implemented by the Company directly or through implementation agency.
